

INDUSTRY ON PARADE . . . That's the scene where the action is this week. Local industries have exhibits on display at the City Municipal Building in observance of Texas Industry Week. Exhibits can be viewed by the general public until 9 p.m. today [Thursday] and until 1:30 p.m. Friday. Larry

Oefinger, chairman of the special week, invites "everyone to come down and see what our local industry does. Also, we would like for you to see the posters painted by students in grades four through eight." These two views show most of the exhibits. [Photo by Joe Fohn]

Antiques beginning to come in

Another load of antiques and collectors items arrived Sunday for the Museum Celebration Day Antique Auction on May 6. Frank and Sis Graff brought in a load of pieces for sale and they were stored for the big event. "Some of the items include a Victrola, old time console radio, tables, old wood stoves and even a car jack," Frank said. "We also

have picture frames, dressers and many other worthwhile items." Anyone who wishes to donate items for the Auction may do so by calling Frank at 426-2962 or 426-3666, or Cappy Heyen at 426-2851. "We'll even come pick up the items," he said. Or if anyone has anything they want to sell, the Museum will do so on a 25 percent commission basis.

ERRORS, MISTAKES OR BLUNDERS

. . . like we make some weeks are those you wonder out loud how you could have made them--after they are made of course.

One strong for instance in this department was our story last week on the death of Chief Deputy Floyd Williams. I wrote the story Wednesday morning; we set the head Wednesday morning and proof read the story and paper Wednesday afternoon before 2:30 p.m.

Yet, at no time did any of us catch the fact that Floyd had died on Tuesday and not Wednesday as the story and heading stated.

. . . now let's see the other mistakes that should have been caught but weren't . . . in JAKE'S NURSERY ad we used the wrong phone number--it should have been 426-8822 . . . we carried a wrong phone number in THE DRUG SHOPPE ad--it should have read 426-2555 . . . Everett Abbott challenged us on a heading we had over a Soil Conservation story and wouldn't you believe we had it headed ASCS? . . . we left out one help wanted ad completely . . . I told Jim Prenzler at WINN'S I would come pick up an ad Wednesday morning and while shaving on Thursday it dawned on me I didn't . . . we omitted the address of MEDINA AGRICULTURE PRODUCTS . . . I gave George Koch an extra son in his DRIP EZE SYSTEM ad when I signed it with George A. Koch and Sons; it seems he has always had just one son.

Right now I can't remember others for last week, but I can recall one of several weeks ago on an ad for BREITEN'S SERVICE CENTER ad we were supposed to include a feature on custom painting. Can you guess what we came up with? Custom printing. Now you can't say we didn't have our mind on our business--but you can say that Fred Breiten was a mite disconcerted.

So, we admit we're not perfect. But we are different--for all our mistakes are out in the open. We don't like them, but I guess as long as we are doing something, we'll continue making them.

And I bet my bottom dollar as long as we keep making them, the public will keep calling them to our attention. And I wouldn't have it any other way.

Residents to elect mayor, two councilmen Saturday

City residents go to the polls Saturday, April 7, to elect a mayor and two city councilmen. They will cast their ballots at the City

Municipal Building from 7 a.m. to 7 p.m. Jesus Rodriguez and J. G. Barry head the ticket for the spot of

mayor, while T. A. Lopez and R. V. Stanga seek the place 1 alderman spot and G. P. Chapman seeks reelection to place 2.

Mayor George Brucks decided to not seek reelection and the two candidates, Rodriguez and Barry, are vying to fill that vacancy.

In Place 1, Alderman Andy Patterson did not seek reelection and Lopez and Stanga are opposing each other for that position.

In Place 2, Chapman is the incumbent and has no filed opposition.

Absentee voting in this election was extremely light, with only 21 ballots being cast as of the deadline at 5 p.m. Tuesday.

Sales tax

check hits

\$16,877.13

The checks just keep getting bigger as sales tax checks to the City of Hondo, that is.

And the reason they keep getting bigger is that people are spending more money in town.

The final quarter check for 1972 was \$16,877.13.

This tops the previous high of \$16,056.64 which came in for the April, May and June quarter.

Total checks for the year 1972 reached \$63,426.60, with the first quarter being \$14,762.99 and the July, August, September quarter reaching \$15,729.84.

Poster winners selected

Whew! the judges had a hard time selecting winners in the Texas Industry Week Poster Contest!

But they did and the winning posters are tagged at the Texas Industry Week exhibit now going on at the Hondo City Municipal Building.

Hours of the exhibit are 8 a.m. to 9 p.m. today (Thursday) and 8 a.m. until 1:30 p.m. Friday.

Winners by grade include: Fourth--Anselmo Cuellar, first; Fifth--Barbie Rock, first; Kay Wentz, second; Sixth--Nancy Martin, first, and tie for second Sylvia Ontiveros and Bonnie Geuea; Seventh--Ricky Dugan, first; Belma Correa, second; Eighth--Karen Reinartz, first.

Feed grain program unchanged

No change has been made in feed grain program payments as a result of the lowering of feed grain set-aside from an acreage equal to 25 percent of a farm's base to 10 percent, reports John Barry Rudd, State Farm Program Official.

The set-aside acreage reduction is automatic, he said, and producers have no added paperwork and no required visits to the Agricultural Stabilization and Conservation Service (ASCS) County Office.

"The only change is that the set-aside requirement for producers who enrolled under the 25 percent set-aside plan has been reduced to

10 percent," said ASCS State Committee Chairman Rudd.

"Those producers will be notified by the ASCS County Offices of the change for their farm. If they already had their set-aside land inspected and measured, it can be remeasured at their request at no additional cost.

"I want to emphasize that payments for all participants in the feed grain program are unchanged -- whether they signed under what was the 25 percent set-aside plan or under the zero set-aside plan," Rudd said.

He pointed out that payments are calculated on half the feed grain base times farm yield payment rate.

However, those feed grain producers who signed up to set aside acreage are required to set aside 10 percent of their feed grain base and maintain their conserving base in order to qualify for payment. On their remaining cropland acreage they are free to plant any crop they choose, except quota crops which are peanuts, rice, extra long staple cotton, and tobacco.

Those producers who signed up for the zero set-aside plan agreed to accept a reduced payment in order to have all of their cropland, except their conserving base, free for planting. They also agreed to limit their feed grain plantings to no more than their 1972 production.

"None of this is change," the ASCS Committee Chairman said, adding that producers cannot switch from the set-aside they signed up for.

He also said there is no change in the provision which allows haying and grazing on set-aside acreage, with a reduction in payment. The per-acre payment deductions for haying and grazing set-aside land and for alternate crops remain as previously announced.

"The lowering of required set-aside acreage probably was the least disruptive action that could be made in the 1973 Feed Grain Program. And action was required to free up more acreage for planting and livestock use.

"Study of the March 1 planting intentions report showed that not enough corn would be planted -- and barely enough soybeans -- to provide for anticipated demand and adequate carryover.

"Action was necessary in order to prevent or alleviate a shortage in the supply of agricultural commodities. Set-aside acreage was the only land which could be readily released for crops," Rudd said.

Reduction of the feed grain set-aside is expected to return from 3.8 to 6 million acres back to major crops, such as corn, grain sorghum, barley, and soybeans. The added corn acreage is expected to total between 2 1/2 to 3 1/2 million acres. Other acres of released set-aside land may be used for livestock forage.

Based on the latest enrollment report, the action taken will release approximately 930,000 acres from set-aside designation in Texas.

Two trustee spots up for grabs here

Two trustees will be elected Saturday, April 7, in the school board election for the Hondo Independent School Board.

Both incumbents Milton J. Renken and E. J. Leinweber, Jr. are unopposed in this year's

election.

Voting will be done at the Lacy Gymnasium from 7 a.m. to 7 p.m. Only 11 ballots were cast through the absentee route, which would indicate a light turnout for Saturday's election.

Bids for construction of a flood control dam for the Parker Creek were opened in a Friday meeting at the Courthouse. Seated at head table are Connie Koch [back to

camera], Medina County Judge Jerome Decker, County Attorney Allen Lee, and Mr. Lobal of Lobal and Bain engineering firm.

Parker Creek bids opened

Bids for the construction of a flood control dam on the Parker Creek were read Friday morning in a joint meeting of the Edwards Underground Water District and the Medina County Commissioners Court.

Low bid was submitted by the William A. Pfeiffer Company of New Braunfels. The Pfeiffer bid totaled \$319,222.50.

Other companies submitting bids were the Campbell Corporation of Ft. Worth with a bid of \$486,671.05; M. B. Killiam Co. of San Antonio with \$403,020.50; Allen Keller of Fredericksburg with \$427,543.20; and Shane Inc., San Antonio, with \$343,664.72.

The engineer's estimate for the total cost of the construction was \$250,000, far below all bidders. Reason for the difference in cost estimates was an admitted underestimation by the engineers of the cost of excavation for the dam's foundation and spillways. Representatives from the Edwards Underground Water District voted unanimously to accept the Pfeiffer bid for the project, and that bid was also accepted by the Commissioners Court in their own vote.

The Pfeiffer company reportedly has built 64 structures similar to the one to be built on the Parker Creek.

Dear Burnis:
On behalf of the Hondo/D'Hanis Little League Association, we would like to extend our grateful thanks for all the cooperation the Hondo Anvil Herald has given us. It is your personal efforts that has made the public aware of the many aspects of the work performed by the Association.

To the people

I have always tried to do what is best for the community as a whole, not for any individual or group. If the voters of Hondo re-elect me on April 7th, I will continue to do my best to look out for their best interests.

I appreciate your support and your vote...

Alderman, Place 2

(pd. pol. ad)

It is of special interest that we note that a number of our high school boys are involved with managerial and coaching activities. Coupled with a staff of interested fathers and mothers, the 1973 season will be one that will be extra meaningful since we are celebrating our 20th anniversary of the Charter of the league this year.

Again, our thanks to you for all your help.

Yours truly,

Dear Burnis:

Thank you for your letter telling of the Medina County Museum. As we said before, we wanted to include Hondo in our book for tourists, but at the time of publication neither we nor the Hondo Chamber were able to develop attractions that met our criteria.

The museum certainly does, and we will appreciate your sending the necessary details. Specifically, we need the exact location (street address), hours of operation, cost (if any), and some description of the exhibits, i.e., railroad, frontier, Indian, or whatever.

Also, regarding the dinosaur tracks, we need that location, hours, cost, and any other information such as free picnic area, or anything else such as would be of interest to tourists.

On another subject, we sent our Friendship State

program to the Hondo Chamber of Commerce on February 16. We hope you have decided to keep and use it; if so, we will appreciate your check for \$10. If not, could we have a prompt return of the slides?

We may not be able to make the change in the Hondo listing before we make a complete revision of the book on Texas, but it will be helpful for us to have the information available. And we do appreciate your help.

Sincerely yours,
Tom H. Taylor,

Poerner's corner

BY JOHN H. POERNER
15th LEGISLATIVE DIST.

The Texas Constitution, unlike a majority of the state constitutions, does not contain provisions for a thorough revision. Such a provision was proposed in the Constitutional Convention of 1875, but not adopted. Throughout the 95-year history of the Texas Constitution, it has been amended over 200 times. However, it has been debated as to whether this authority to make amendments, set forth in Article XVII, Section 1, authorizes complete constitutional revision. Many believe that approval of the people is necessary before the legislature may embark on the task of proposing a completely new constitution.

Therefore, Amendment Number 4, passed last November in the General Election and approved by the people of this state, granted authority to the legislature to establish a constitutional revision commission which would report its recommendations no later than November 1, 1973, and provided that members of the 63rd Legislature would then be convened the second Tuesday in January, 1974. This assemblage of the legislature will be one of the most monumental gatherings for the Texas citizens during the history of Texas.

The convention would be allowed to sit through May 31, 1974 and could extend its life for 60 days beyond that date. At that time the draft of the new constitution, or revision of the current constitution would be submitted to the voters of Texas.

Upon submission, the legislature will recess until a "reading" is received

from the people accepting articles that have been ratified by the people. Those articles that are rejected by the people shall be reworked. It is possible that various articles may be submitted to the people for consideration four or five times before being ratified by them.

Until a permanent chairman is elected, the lieutenant governor shall preside. So I assume we are going to have some of the leading citizens of our state vying for this job. It would be beneficial to the election committee if we could have some input from our citizens if someone they think should be the chairman of this historic event in our lifetime. Governor Briscoe, Lt. Governor Hobby, and former Governor Allan Shivers have been named as possibilities. Speaker Daniels, who is also eligible for election, is a member of the convention. I have asked to be a member of the House Senate Planning Committee to be appointed by the Speaker.

The logistics of the Constitutional Convention must be planned now. Preparations are now underway to establish an effective administration. Therefore, I am taking this opportunity to ask each of you to consider the various problems at hand and take part as an interested citizen in the revision of our Texas Constitution.

CHAMBER CORNER

The farthest request on a deer lease came in this week from Donald F. Coen of Westland, Michigan. He wanted info on lodging, seasons, restrictions, license fee, etc.

Irene Stedifar and her mother from Kerrville have expressed interest in moving here. She wants information on job possibilities, housing and other.

Mr. and Mrs. James Glasgow in Lubbock say they may be transferred to Hondo this summer, so we sent them information.

We received a letter and two poster displays from German Torres Torres Morales, Guanajuato State Tourism Department, Guanajuato, GTO Mexico. It is located in the center-most part of Mexico and the picture looks like paradise.

Paul Lundberg and his two boys from Lubbock dropped by the office for brochures and travel maps. His wife is the former Norma Nester of D'Hanis.

Two young men from the Post, Texas Archery Club would like hunting with bow and arrow in the Hondo area.

Well, they made the visit at Williams where the Air Training Command trains jet pilots, and they saw all the sophisticated equipment used in accomplishing this purpose.

But on the way back, Fritz said the weather was terrible. It was rough, and the clouds looked like storming. So. Col. Ryan, Randolph Base Commander, asked if they wanted to stay over in Tuscon and take a chance on getting weathered in, or come on to Randolph and home.

"We all said come on in," Fritz said. But he also added he certainly enjoyed the flight and visit at Williams.

SMALL TOWN AIRPORTS

. . . are booming with local and municipal business almost everywhere except Hondo.

It's been a mystery to me how towns so much smaller than Hondo and with less facilities can generate so much interest in local aviation, and yet we can't. Or at least we haven't been able to so far.

What brought this to mind is the Texas Airport System Plan which is being sponsored by the Texas Aeronautics Commission and the Division of Planning Coordination of the Office of the Governor.

The Airport System Plan will identify present and future airport needs on a statewide basis. It will project aviation activity and airport needs for each of the 254 counties in Texas, organized into the State's 21 separate Planning Regions.

The plan envisions some thorough study into aviation potential in all counties. I would hope that when the plan is published Medina County will compare favorably with other counties in activities—but it will have to go a long way from the present status to reach that goal.

MUSEUM CIRCULARS

. . . are in abundance here at the Anvil Herald and at the Chamber of Commerce. Lobby Landers came by the other day and took several to "mail to friends and relatives."

We would hope that other residents would do the same. Just 10 or 12 mailed by many residents to out of town friends, relatives or business associates will go a long way toward publicizing our big event.

New AACOG officers elected

Members of the Medina County Goals Committee of the Alamo Area Council of Governments recently elected Reverend George A. Stuebben as their new chairman.

Reverend Stuebben, pastor of St. John's Catholic Church in Hondo, is also Vicar for Urban Affairs for the Archdiocese of San Antonio as well as Director of the Inner City Apostolate and a member of the Board of Directors of the San Antonio Area Crisis Center.

The 45-year old priest also serves on the AACOG Social Planning Committee.

The newly-elected vice-chairman is Bill Stege, a representative of the city of Castroville. Stege, a salesman for the San Antonio Food Company, is also a member of the Golden Mile Optimist Club

in San Antonio.

Tomas Santos of Hondo will act as the committee's secretary. The 31-year old electrician is editor and publisher of the monthly magazine "El Informador".

He will head the Goals Committee's ad hoc committee on Emergency Medical Services as well as be a representative to the AACOG Health Coordinating Committee.

The Goals Committee, which is made up of a cross section of citizens and local representatives of the county population, identifies local needs and recommends priorities for future development of the county.

The committees which have been organized in seven counties in the region insure greater citizen participation in the AACOG decision-making process.

Poerner appointed chairman

State Representative Dan Kubiak, chairman of the House Education Committee, today announced the appointment of Representative John Poerner of Hondo as chairman of the subcommittee on General Education.

In making the appointment, Kubiak stated, "I have found Rep. Poerner a dedicated and hard working member of the Texas Legislature who has an excellent background in all areas of education. The work load of the Education Committee is tremendous; and in an effort to alleviate the back load of important proposed legis-

lation, it is my sincere feeling that with the leadership of Rep. Poerner and his subcommittee on General Education, we will be able to allow each and every member the opportunity of having his legislation aired."

Highway construction plans set

Contracts for highway construction in the San Antonio district have been awarded by the Texas Highway Commission.

The work will be under the supervision of District Engineer R. O. Lytton and will be in Medina, Bander, Frio, Bexar, Kerr, Edwards, and LaSalle counties.

House-Braswell Co. of San Antonio was awarded

a contract of the construction of grading, drainage systems, flexible base, curb, asphalt, stabilized base and hot mix asphaltic concrete pavement on 1.9 mile of Farm to Market road 2696 in Bexar County.

In addition, a seal coat contract was awarded for 153.2 miles of highways in the San Antonio district.

The contract includes Kerr, Edwards, Bander, Medina, Bexar, Frio and LaSalle Counties.

Brannan Contractors, Inc. of Victoria was awarded the contract for the low bid of \$300,570.60. The work will take an estimated 55 working days to complete. C. E. Hackebell of Hondo is the Highway Department en-

gineer in charge.

In Medina County, the project includes FM 462, 23.651 miles from Bander County line to US Highway 90. Also, FM 2200, 13.737 miles from Jct. FM 462 to Jct. SH 173. Also included is FM 1796, 17.734 miles from the Uvalde County Line to US Highway 90 at D' Hanis.

Engagement announced

STEPHANIE BOHLKE

Mr. and Mrs. Lloyd Bohlke of Kenesaw, Nebraska announce the engagement of their daughter, Stephanie LaVonne, to Gary Wayne Schulte, son of Mr. and Mrs. James Schulte of Grand Island, formerly of Hondo.

Miss Bohlke is a 1971 graduate of Kenesaw High School and her fiancé is a 1971 graduate of Grand Island Senior High School. Both are sophomores at Nebraska Wesleyan University at Lincoln, where the future bride is majoring in music education and her fiancé in psychology. Wedding plans are indefinite.

Grandparents of the bridegroom-elect are Mr. and Mrs. Edwin Schulte and Mr. and Mrs. Andrew Schweers of Hondo.

Miss Karen Sue Smith

Smith-Riff plans told

Mr. and Mrs. Colvin E. Smith of Refugio announce the engagement and forthcoming marriage of their daughter, Kathryn Sue, to Glen Charles Riff, son of Mr. and Mrs. Nick Garrison Riff of Hondo.

Miss Smith is a graduate of Refugio High School and a senior at Texas A&I University.

Mr. Riff is a graduate of Hondo High School and attends Texas A&M University. The wedding is planned for May 19 at the First Baptist Church in Refugio.

Arnold Mussman dies at 58

Arnold Mussman died March 28, 1973 at Medina Memorial Hospital in Hondo. He was 58 years old.

Born July 26, 1914 in Hondo, he is preceded in death by his parents, William Mussman and Ida Graff; one brother, and one sister.

Arnold was active in civic organizations in Hondo and in D'Hanis, where he owned and operated his own store. He was a member of St. Paul Lutheran Church, Hondo; a member of the D'Hanis Lions Club, Hermann Sons, and Woodmen of the World, and was a retired member of the Hondo Fire Department.

He is survived by his wife, Lorene Haass Mussman; a son, Charles Mussman and daughter-in-law, Shirley Mussman of Big Springs; and two sisters, Mrs. Melba Weynand and Mrs. Frank (Amelia) Lutz, both of D'Hanis.

Funeral services were held March 29 at St. Paul Lutheran Church with Rev. A. M. Hannemann officiating.

Interment was at Oakwood Cemetery, Woodmen of the World Section, in Hondo. Graveside ceremonies were held by Rev. Hannemann.

Pallbearers were Walter Burrell, Charles Koch, Gene Koch, Gus Weynand, Claude Schuehle and Samuel Zerr.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

MISS KAREN MANN

Karen Mann is Sweetheart

Members of Lambda Chi Alpha Fraternity at Texas A&I University announced Karen Mann as their Sweetheart at their White Rose Formal Friday night, March 23.

Karen was presented a bouquet of white roses and a Lambda Chi Alpha sweetheart pin.

Karen is a 1970 graduate of Hondo High School and is a Junior Elementary Education major at Texas A&I University.

She is the daughter of Mr. and Mrs. Wesley R. Mann of Hondo.

Art League sets meeting

The monthly meeting of the Hondo Art League will be held Monday, April 9, at 7:30 p.m. in the City Auditorium.

Ivan McDougal, prominent water-colorist of San Antonio, will be the guest speaker and will demonstrate and lecture on water color painting. McDougal is a graduate of Tivy High School, Kerrville, attended Trinity University of San Antonio and the American Academy of Art in Chicago.

He has been honored with shows by St. Mary's University, the Witte Museum, McNay of San Antonio and many prominent galleries in San Antonio, Austin and Houston. He has won numerous prizes and awards in juried shows.

He is an active member in the Texas Watercolor Society, Coppini Academy of Fine Arts, San Antonio Art League, River Art Group, Texas Fine Arts Association and "The Painting Gang", and was a member of the Men of Art Guild. Although known primarily for his paintings in transparent watercolor, he also works in several other mediums.

The public is invited to this rare occasion to watch a talented and prominent artist work, whether you paint or are just interested in learning to appreciate art, or curious, you are most welcome to attend the meeting.

Mrs. Persyn dies at age 85

Mrs. Leo (Marie) Persyn, 85, of Rt. 5, San Antonio, died Thursday, March 29, 1973.

She was the mother of Mrs. Rene (Rosie) Aelvoet of Hondo.

She is also survived by other daughters, Mrs. Eugene (Alice) Van Kerkhove, Mrs. Edward (Gerald) Dausin; sons, Edmond, Gerard and Raymond Persyn; 38 grandchildren and 15 great-grandchildren.

Rosary was held at 7 p.m. Sunday, April 1, at St. John Berchman's Church. Requiem Mass was held Monday at St. John Berchmans Church, offered by Rev. Michael Cattaert, CICM. Interment was in San Fernando Archdiocesan Cemetery.

Arrangements were by the Angelus Funeral Home, San Antonio.

Join Garden Club in Clean-Up

The Hondo Garden Club Clean-Up Campaign is set for the week of April 15-21.

Vacation time is around the corner and Museum Day is May 5. Many visitors will be coming to Hondo. If each homemaker, each place of business, each lot owner joins forces with the organized efforts of our Boy Scouts, Campfire Girls, Bluebirds, 4-H Clubs, Junior Garden Club and the city management, we will have a clean town.

Let's let it show that we are a town that is proud—a town that cares. Start planning your clean-up campaign today.

The sights and sounds of spring are making it difficult for me to decide which I enjoy most.

Today, first place goes to a magnificent redbird, swaying with the gentle morning breeze as he perched on the topmost branch of an old mesquite tree. He was in fine voice and the mesquite's leaves were all aflutter modeling the indescribable shade of green that is so popular every spring.

It took will power to emerge from my daydreaming and get back to the daily routine. James Whitcomb Riley must have been a kindred spirit and I took refuge in this bit from his poetry:

"Work is the least of my ideas/ When the green, you know, gits back in the trees!"

Hondo's Radar weather picture [of March 10] got itself in a later issue [March 19] of our local evening newspaper. It accompanied an instructive story about "The Public's Weather Worry Charts."

Glenn Trapp, chief meteorologist at the CC Weather Station, says the station "dials in Hondo frequently to gain additional data for offshore squall activity etc."

Pictures of the Holy Cross Church [D'Hanis] pecan grove, along with one of Lester Zerr [of S.A.] on a pecan-grafting job, appeared in the Sunday [March 11] Houston Chronicle.

The accompanying story "Nuts to You", by Magdalene Boyle, failed to mention Fr. Victor's dedication to the success of the D'Hanis project but I hope he read it anyway.

The Houston story did report that "George Washington had a passion for pecans" and that one of his French aides said "The celebrated gentleman always had his pockets full of them."

Eventually, our first President came to dentures [don't we all?]. An article in the February Smithsonian magazine showed color photographs of several sets which included "cheater eaters" made of wood, elephant's tusks, elks' teeth, gold, ivory, walrus tusks, and hippo teeth!

Wonder if George ever cracked pecans with his original teeth?

Now it can be told, without names. Two Hondo ladies, not really "young" now but still "fair to see" found certain foods particularly to their liking when they dined out one evening, now some months ago.

Unable to eat all of the generous portions, they decided to take the left-overs for a later snack. One made a sandwich of sauerkraut and cornbread. The other wrapped crusty onion rings in a clean paper napkin.

Both tucked the goodies in their respective bags and promptly forgot all about them until long hours later when they had occasion to open their bags and exclaimed:

"Well I thought something smelled funny!"

Smelled, yes! Funny, would depend on sense of humor as distinguished from the olfactory sense. Anyway, it did furnish laughs all around. This story contributed by my old friend "ANON".

Easter is only three Sundays away, on April 22, a date on which it will not fall again until 1984, says a knowledgeable source.

Talk now concerns variations of "the Easter Spell", in terms of weather, also known as "Grandma's always-right Spell".

Texas set great store by the rule that mesquite trees never begin to bud until winter's last freeze is relegated to limbo. The rule slipped up a bit last year in some sections of the state, giving grandmas in the South Plains sufficient evidence to say I-told-you-so!

One happy consolation is that Easter Sunday still falls on Easter Sunday and The Gov'ment hasn't made mention [so far] of any impending changes in the original designation.

The 3/29 ANVIL HERALD reached me just in time for a quick look-see before this contribution to the 4/5 issue gets to the mail box.

Representative JOHN H. POERNER's Corner contained the good news of the new State Park in the Valley of the Lost Sugar Maples. John deserves the appreciation and continued support of all his constituents for this evidence of his dedication to the responsibilities of his office and for his foresight in looking to the preservation of the beauty of our Great Outdoors for posterity.

MILLIE [Mrs. O. A.] FLY will join me in appreciation as we recall an unforgettable rainy day in November [was it in 1964?] when we spent hours in the Valley watching the autumnal-hued maples leaves make a solid road-to-creek carpet of the ground and festoon the deep green of the cedars, transforming them into early Christmas trees.

Static electricity speeds fabric soiling

Invisible and unheard static electricity can cause rapid soiling of rugs and carpets.

"It pulls lint, dust and soot from the air onto these floor coverings," Mrs. Gaye Bippert County Extension Agent, explained.

Other maladies associated with static electricity include clinging garments, sparking blankets and annoying shocks.

Static electricity is simply electricity that's standing still. As two dissimilar materials rub together (such as shoe leather and carpeting), electrical charges form and accumulate.

When enough charges build up sparks travel

through air to a second object. Some sparks are visible while others are just strong enough to produce clinging.

Several factors affect static electricity build-up. For example, the problem is greater with low-absorbing fibers such as nylon, acrylic and polyester. Humidity also affects it—low humidity promotes faster build-up, high humidity slower. Moisture, the Agent explained, reduces static.

Although it doesn't completely eliminate static, treating certain acrylics and polyesters with anti-static finishes improves control. As an added bonus treated fibers soil less quickly and release

soil easier when laundered or cleaned.

The textiles industry responded to combat this common nuisance, producing anti-static fibers for blankets and carpets and developing several techniques to lessen static.

One process involves using nylon fibers which absorb moisture and consequently reduce static.

Another carpet innovation features yarn which incorporates a metal wire to dissipate electrical charges, the Agent noted.

Easter seals help requested

A further request for support of the Easter Seal Society for Crippled Children and Adults and its program of services to the handicapped was issued today by Henry Finger who is the Easter Seal representative in Medina County.

The Easter Seal Society provided treatment and services for 16,572 phys-

ically handicapped children and adults in Texas last year, Finger said, and this program needs to be expanded. Many people are going without services that would increase the productivity of their lives and make them happier. With increased growth of the Easter Seal Society, more and more of these people will be reached, he added.

Library News

"All over Texas during the week of April 8 through 14 libraries will throw their doors open with an invitation for all Texans to widen their world and to 'get ahead, read,'" so said Dolph Briscoe, Governor of the State of Texas, in his proclamation of Library Week, which is observed nationwide.

Do visit your Hondo Public Library and the great and varied amount of reading pleasure that awaits you there.

On March 20, Mrs. Lottie Maw, librarian, and Martin Noonan, member of the Board of Trustees, attended a meeting at San Antonio Public Library for the purpose of electing two new representatives to the State Library Board. This is the first time Hondo Library has been invited to participate in such an election.

Reference material new to library shelves includes "The Art of Fine Baking" by Paula Peck and "Visions of Sugar Plums" by Mimi Sheraton.

Donors to the library in recent weeks have been Mr. and Mrs. Harold F. Herring, paperbacks and a pamphlet on Castroville; Dewey R. Verona, stamp and Ellery Queen magazines; the Paul Reilly family, magazines; Mr. and Mrs. Norman Buescher, magazines and Wall

Street Journals, and Mr. and Mrs. Homer Walton, magazines.

Mrs. O. M. Redus contributed magazines and a beautiful Spring bouquet of pink flowers. Martin Noonan brought in New York Times newspapers and magazines.

Paperbacks were received from Barbara Weems. These included "The Secret of Benjamin Square" by Jennifer Plum and "The Carson Inheritance" by Dorothy Daniels.

Vaneta Felts of Sabinal has given us "Time Out, Ladies" by Angel Unaware", which is a heart-to-heart talk about the intimate problems of women with Dale Evans Rogers.

Mrs. Lucille Barnes and Edna Molina have donated magazines and Mr. and Mrs. James Prenzler paperbacks. Also new to library shelves are "Eleanor and Franklin" by Joseph P. Lash and "The Catalogue of Catalogues" by Maria Elena De La Iglesia.

The library still needs those overdue books, so please check to see if you inadvertently have failed to return any books. Use the bookdrop if you do not have time to bring them in during regular hours.

Library is open Monday through Friday, 11:30 a.m. to 5:30 p.m.

Mary Louise Saathoff honored

Miss Mary Louise Saathoff, bride-elect of Sgt. John Owen Ashford, Jr., was honored with a miscellaneous shower on Saturday afternoon, March 24th, from 3 to 5 p.m. at the St. Paul Lutheran Church Annex.

She received many lovely gifts. Refreshments included purple punch, coffee, cookies, mints and mixed nuts. The serving table was beautifully decorated.

Mrs. Vickie Ijams and Mrs. Roy White served and Miss Crickett Schweers sat at the guest book.

Hostesses were: Mrs. Ehme Saathoff, Dancy Menk, Mrs. Clemens Kempf, Mrs. Harold Bohlman, Mrs. Edgar Saathoff, Mrs. Lawrence Haby, Mrs. John Coyle, Mrs. Harry Haby, Mrs. Franklin Wiemers, Mrs. Andrew Schweers, Mrs. Dan Menk and Mrs. Oscar Etter.

Also, Mrs. Agnes Breiten, Mrs. Jacob Tschirhart, Mrs. Leon Tschirhart, Mrs. Marlin Naegelin, Mrs. Tony Burrell, Mrs. Nick Riff, Mrs. Eric Haby, Mrs. Lawrence Tschirhart, Mrs. Milton Tschirhart, Miss Mary Jane Burrell, Mrs. Matt Saathoff, Miss Betty Tschirhart, Mrs. Maurice Haby and Mrs. Walter J. Saathoff.

Other hostesses were Mrs. Ralph Saathoff, Mrs. Wesley DeGrodt, Mrs. Chester Schmidt, Mrs. LeRoy Heiligman, Mrs. Tony Heiligman, Mrs. Richard Schweers, Mrs.

Arthur Haby, Mrs. Leslie Schlentz, Mrs. Leonard Otto, Mrs. Douglas Otto and Mrs. Sammy Tschirhart.

Miss Saathoff was previously honored with a surprise kitchen shower and a personal shower.

The kitchen shower was given by Mrs. Dale Walker's Home and Family class at Hondo High School, Friday, March 16. The refreshments of cake

and punch were prepared by the members of the class. Miss Crickett Schweers sat at the guest book.

Hostesses for the personal shower, given Wednesday, March 21, in the home of Mr. and Mrs. Joe Embrey, were Miss Joetta Embrey and Miss Crickett Schweers. Miss Schweers registered the guests. Refreshments included purple punch and cake.

Sewing meeting set

A Training Meeting "Sewing with Knits" will be held Thursday, April 12, at 9:30 a.m. in the City Auditorium at Hondo.

This training is designed for the 4-H Clothing Project Leaders but the

general public is also invited to attend the free meeting.

A short session on inserting zippers will also be included.

This training will be conducted by Gaye Bippert, Medina County Extension Agent.

HONDO OWL BAND

Hondo Owl Band Seniors

These 39 Hondo Owl Band seniors have never received less than a 1 Rating in any contest since they competed as a AA second group in their Junior High days. They will close out

their high school music careers on April 26 in a High School Spring Contest in Hondo and on May 10-11 at Six Flags Over Texas Band Festival.

Alma Nester services today

Mrs. W. J. (Alma) Nester, age 88, died Tuesday afternoon, April 3, in Medina Memorial Hospital in Hondo.

Funeral services will be at 3 p.m. Thursday, April 5, at St. Paul Lutheran Church. Interment is to be in Oakwood Cemetery.

A complete obituary will appear in next week's Anvil Herald.

Sheep & Goat men to meet

Texas Sheep and Goat Raisers' Association members in District Six, which is made up of Bandera, Medina, Kerr, Real and Uvalde Counties, will meet Monday, April 9, 1973 at 9 a.m. at the Texas A&M University Research and

Extension Center in Uvalde. The Research Center is located east of downtown Uvalde on the Garner Field Road.

John G. Dooley of Uvalde, district chairman, has arranged for a very interesting program. In

addition to reports by John Cargile, TS&GRA president, and Bill Sims, executive secretary, on current legislation in Austin and Washington, Lytle H. Blankenship will speak on "African Game Animals - Their Potential as Exotic Introductions".

Stewart H. Fowler will bring the group up to date on the current status and future plans for the Research Center and Leroy Hoermann will discuss the livestock extension program in Extension District 13.

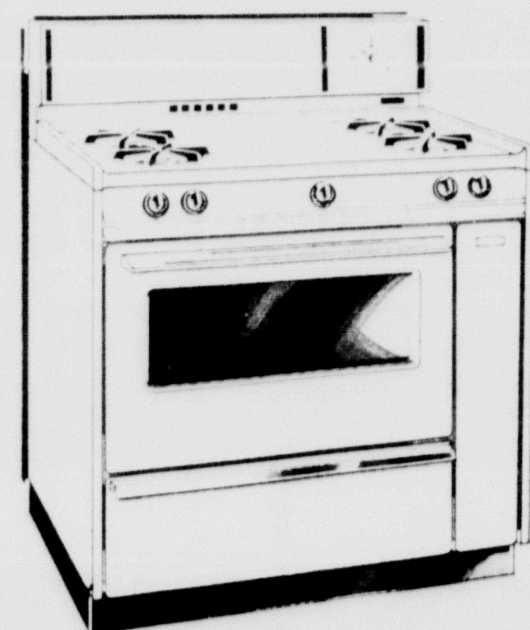

Santos Cuellar will cater the "Dutch Treat" Bar-B-Q Lunch at noon. Directors for the 1973-74 term will be elected at this meeting. In addition, a Young Ranchers Committee has been formed for those TS&GRA members under age 40, and all young men interested in working with this group are urged to attend.

A BREATH OF FRESH

AIR

FOR

TEXAS

INDUSTRY ?

Texas industry, like many of us, is looking for a breath of fresh air. And, increasingly, it's finding it in the countryside.

That's partly because in the countryside there's electric power, provided by rural electric cooperatives, to turn the wheels of industry. And the people who built and own the rural electrics are there, too helping to provide the local leadership and man power to make the small communities attractive to industry.

It's a big job.

It means coordinating state and federal programs with rural needs. It means working to set up job training programs and improve community facilities. It means consulting services for existing and newly-formed small businesses. It means imaginative planning for new industries and the new communities that are spring up all over.

CARDS OF THANKS

We wish to express our
sincere thanks to our rela-
tives, friends and neighbors
for their thoughtful memo-
rials, cards, food and visits
in our time of sorrow at the
loss of our beloved husband
and father. Especially do we
thank the Reverend A. M.
Hanneman for the comfort-
ing service, his prayers and
many visits during the past
months. We also thank Dr.
Walter Meyer, Dr. Parker
Meyer, the staff at the Me-
dina Memorial Hospital and
the Guinn-Horger Funeral
Home for their devoted at-
tentions. We are deeply grate-
ful for the many prayers,
cards, flowers and visits dur-

Third at Dilley, Owls head for Pearsall District Meet

The Dilley Track Meet held last Friday saw the Hondo Owls take third place to Floresville and Laredo United.

The Owls were in second place going into the final event, the mile relay. But Laredo United gathered enough points in that event to pass Hondo, 86 1/2 points to 70. Leader Floresville was never in danger and finished far ahead at 103 1/2 points.

In fourth place was Carrizo Springs with 57 1/2 points, and Dilley took fifth with 52.

This Friday the District Meet will be held at Pearsall High School.

Field competition for both Varsity and Junior Varsity will begin at 9:30 a.m. Running preliminaries will begin at 1:30 p.m. with finals starting at 6.

Highlights for Hondo were Keith Ligon's first place in the discus with a throw of 133' 4-seven-eighths. Eddie Pope won the 120-yard high hurdles with a 15.8 time and Gene McAnelly took first place in the 100-yard dash at 10.4 seconds.

Other Hondo standouts in the field events were Mike Hilberling, who took third place in the high

jump, 5' 10". Leslie Taylor and William Green took fifth and sixth places in the long jump, and Ligon won fourth place in the shot put.

Track events saw Bobby Cox and Sam Nooner gather points as they finished fourth and sixth in the 100-yard dash behind McAnelly's winning effort.

Benito Pina finished fifth in the mile run with a 4:53.2 time. Other Owl competitors were Raul Rios in the 440-yard dash, and the 440-yard relay team of Lee Haile, Sam Nooner, Bobby Cox, and Gene McAnelly finished fifth.

Owls win one, lose 1 in District baseball

The record is even for the Hondo Owls in district baseball play, 1 win, 1 loss. Devine met defeat 3-2 last Thursday evening in Hondo, but in a 13-inning marathon at Carrizo Springs Tuesday night, the Wildcats beat Hondo 4-3.

In between, the Uvalde Coyotes took two games from the Owls Saturday, 12-2 and 4-1.

Tonight (Thursday) the Owls meet another non-conference rival in the D'Hanis Cowboys and that game will be played in Hondo at 7:30 p.m.

In last week's game against Devine, the Owls scored all three runs in the first inning as Bobby Cox led off with a triple, and Lonnie Knowles, Gordie Bohmfalk and Kenny Weynand all walked. Jeff Hilsner doubled in the second two runs before the inning ended.

Jim Prescott took the victory for Hondo, while Outlaw of Devine carded the defeat. The Warhorses had six hits in the contest to four for Hondo.

Seven errors on the Owls made Saturday's opener against Uvalde a long game for Hondo as

the Coyotes parlayed nine hits into twelve runs downing Hondo 12-2. Lynn Leonard picked up the win for Uvalde, while Gordie Bohmfalk took the loss for the Owls.

Hondo bats rapped out 11 hits but they were scattered. Raul Dominguez had three hits for Hondo, Henry Walch and Knowles had two each and Alex Mendoza, Ernie Dominguez, Kenny Weynand and Bohmfalk had one hit apiece.

The second game against the Coyotes was a closer one, but Uvalde once again won 4-1. Once again, Raul Dominguez collected three hits, pitcher Tony Muniz had a pair, and Simon Arcos rapped a single, but Uvalde scored one run each in the second, fourth, sixth, and seventh innings to outdistance the Owls.

Muniz went the full seven innings for Hondo striking out two and walking two to card the loss. Valentine won the game for Uvalde.

Tuesday night, it was a cliffhanger until the 13th inning, when the Owls fell off the cliff. Jim Prescott hung on doggedly for twelve innings trying to earn the decision, but he was lifted in the 13th for Tony Muniz as the 3-3 tie went on.

Muniz began the bottom of the 13th by striking out the leadoff man but a loose connection at catcher allowed the man to reach first base safely. A passed ball sent the man to second, and a wild pitch sent him to third. Finally, a Carrizo batter intervened to hit a single and score the winning run.

Winner in relief for Carrizo was Jaime Garcia. Loser in relief for Hondo was Tony Muniz.

The Owls gathered seven hits in the contest to ten for the Wildcats. Alex Mendoza had two hits for Hondo.

New managers

A change in managers has been made for the Rangers of the Major League, reports Hondo Little League Association President Albert Rowlett.

In place of Freddie Bader, Gary Zinsmeyer and Joey Graft, managers for the team will be Ernie Dominguez and Simon Arcos, Jr.

Representing Hondo High School on the links this spring is the Owl Golf Team. Placing second in the District 28-AA tournament last week in Carrizo Springs, the Owls earned a berth in the Regional Tournament, set for April 12-13 in Alice. Shown are golfers [standing] Randall Hare, Jim Leverett, Wayne Westbrook, Brian Finger, and [kneeling] Tobin Tilley and Mark Graff. Not pictured is David Leverett.

HWGA entries being taken

It is still not too late to enter the Hondo Women's Golf Association Guys & Dolls Tournament, set for April 15 at the Hondo Golf Course.

Deadline for entry will be the Friday preceding the tournament, or April 13. Fees are \$4 per person, plus green fee.

A meal will follow the tournament, reports HWGA President Ardye Vincent. Entries may be mailed to her at 1152 26th St., Hondo.

Stars lose opener, 14-7

The Hondo All Stars opened their baseball season on Sunday, April 1, at Pruneda Baseball Park. They met the Owls of San Antonio, but came out on the short end of a 14-7 score.

The All Stars rotated their pitching staff so as to give them all a chance to pitch, but they were unable to stop the hot bats of the Owls. Outstanding at the plate for the Owls was Velasquez,

Eagles down Lions, 8-5

The Hondo Eagles upended the defending Hill Country League champion New Braunfels Lions 8-5 in a Sunday game played at the Senior League Park on Hondo Air Base.

For the second Sunday in a row, left-hander Ricky Powell pitched the Eagles to a win; however, this victory counts in their Hill Country League schedule.

The Lions reached Powell for 14 scattered hits and relief pitcher Rusty Beard gave up a harmless single in his ninth inning stint.

Lion second baseman Andy and pitcher Parker were thorns in the side of the Eagle pitching as they

gathered four hits apiece. The Eagles jumped to a 3-1 lead in the third inning on a towering 3-run homer by star centerfielder Johnny Miranda.

In the fifth inning the Eagles picked up four runs on walks to Arcos and Beard and a double by Milton Faseler and a single by Johnny Abrego. A double by Powell and Vee Arcos' single provided the Eagles with their eighth run, which gave the Eagles their margin of victory.

Next Sunday the Eagles travel to Boerne to face the White Sox in a Hill Country League encounter.

D'Hanis beats Cubs, 4-1

The D'Hanis Cardinals relied on an eighth-inning rally to break a 1-1 deadlock and win their season opener against the Fredericksburg Cubs. Sunday, the Cardinals will meet Kerrville in a game to be played at the Kerrville High School Baseball park.

The Hill Country League game was played Sunday at D'Hanis High School stadium and saw the Cards claim the victory, 4-1. Winning pitcher for the Cardinals was Walt Rothe, who went the distance for D'Hanis. Leon Lange of the Cubs was credited with the loss. Rothe allowed five hits in the contest.

D'Hanis took a 1-0 lead in the second inning as catcher Rusty Attaway led off with a single. Two walks to Rothe Carle and Mike Weynand loaded the

bases, and Ray Bendele singled with two outs to bring in Attaway.

A trio of D'Hanis errors in the fifth allowed the only Fredericksburg run.

With two out, Simpson of the Cubs hit a long fly to the left fielder, but the ball fell free. Simpson then went to third as next batter Petsch was safe on a shortstop error. Finally, a faulty pick-off throw allowed Simpson to score, but the inning ended on that same play as pitcher Rothe threw Petsch out at third.

The eighth inning saw a 4-hit D'Hanis rally as Walt Rothe and Rusty Attaway rapped back-to-back singles. Next hitter Chris Finger hit a long double to right center field to score both runners. With two outs, a sharp single by Rothe Carle scored Finger to give the Cardinals their three-run margin of victory.

D'Hanis picked up seven hits with Ray Bendele and Rusty Attaway rapping two apiece, and Chris Finger, Walt Rothe and Rothe Carle gathering one hit each.

Roth struck out eight Cub batters, walking only one. Lange gave up five walks and struck out seven.

The game Sunday with Kerrville will start at 3 p.m. and will count toward the championship of the six-team Hill Country League.

D'Hanis trackmen do well at Rocksprings

Albert Rodriguez of D'Hanis High School and his brother, Daniel, made a good showing for the Cowboys at the District 38B Track and Field Meet held Saturday in Rocksprings.

The favored Angoras won on their home track, collecting 165 points. In second place was Medina

High School with 105.

Other schools competing in the meet were Comstock, Utopia, Nueces Canyon, Leakey, La Pryor, Center Point, Harper and Knippa.

Albert Rodriguez took first place in the mile run with a 4:42 time. The strong winds in Rocksprings Saturday took away from all competitors' efforts, and this was evident in Rodriguez's time, twelve seconds over his best effort of the season, a 4:30.

Daniel Rodriguez competed in the half-mile finishing third with a time of 2:11.

Also competing in the meet for D'Hanis were Joe Nester and Howard Ortiz in the 440-yard dash, and Fred Muniz in the 120-yard high hurdles and the 330-yard intermediate hurdles.

Regional Track Tournament will be held Saturday, April 14, at Brenham.

Cowboys meet Owls tonight

The D'Hanis Cowboys suddenly hold an even 4-4 record, thanks to two startling upsets in a row over Somerset and Poteet.

Against undefeated Somerset and senior hurler Ray Orosco, the Cowboys broke a long string of victories by downing them in the seventh inning 1-0. The game was scoreless going into the final frame as D'Hanis pitcher Spencer Burrell matched Orosco pitch for pitch. But in the bottom of the seventh, Burrell lashed a single and scored on a double by David Gallegos to win the game.

Nine days later the Poteet Aggies brought another undefeated record into D'Hanis and once

again Burrell was on the mound for the Cowboys.

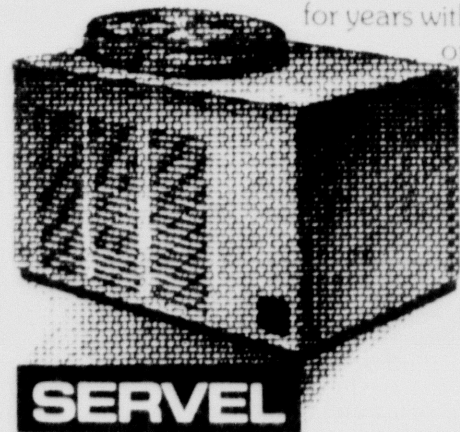

In that game, played last Thursday, Poteet gathered only one hit as the Cowboys won it 2-0. In the fourth inning, Lee Roy Reyes walked with two out. After stealing second, he scored as Rick Rothe singled. Again, in the fifth inning, D'Hanis scored as Richard Rothe singled and Bobby Joe Rothe scored him with a double.

Winning pitcher in that game was Burrell, while Davila was credited with the loss. Burrell struck out twelve Poteet batters, walking two.

Thursday night at 7:30, the Cowboys will meet Hondo at the Hondo High School field.

The Tough One

Servel gas air conditioning is the quality system, built tough to last longer. Simplicity of design and fewer moving parts enable Servel to perform for years without losing its original workload capacity.

Ordinary air conditioning just can't endure this rugged climate for long. Servel Gas Air Conditioning provides maximum comfort year after year after year.

Cheap air conditioning is no bargain. Servel may cost a little more because of its top quality construction. For example, it includes more stainless steel parts than any other air conditioner. But Servel costs less in the long run... less to operate, less to maintain and there's no costly compressor to replace! Call United Gastoday.

Petty Officer Third Class Richard Burns arrived by plane Wednesday from Key West, Florida and visited until Saturday morning with his parents, the J. C. Burns, and his in-laws, the Leroy L. Armkes. Burns came to purchase a new pickup and he was accompanied back to Key West by his maternal grandfather, F. M. Ehrhardt of Kingsland. The Armkes honored Burns with a wild game supper at their home Friday night.

Guests were the honoree and Mr. Ehrhardt, Mr. and Mrs. Burns and Michael, Miss Gloria Hickman and James and Gloria Gay Armke. The menu consisted of Nueces River buck, Colorado elk, Devine doves and cherry pie a la mode.

Mrs. Burns and Mrs. Armke motored to Kingsland Sunday morning and they attended church services at the Church of Christ there with Mrs. Ehrhardt and she accompanied Mrs. Burns home for a few days' visit.

Mrs. Frederick W. Welz entertained her niece, Mrs. Norman (Gloria) Favors,

San Antonio, on her birthday with a chicken barbecue at their home Saturday. Guests included the honoree and her family, Mr. Favors, Michael, Vickie, Timothy and Jack.

Mrs. B. M. Estes fell Wednesday afternoon and fractured her left knee. She will be walking with a walker for at least three months.

Mrs. Janette Rathbun, who has been a patient in Wilford Hall Hospital since October 6, 1972, had her second operation Friday. Her mother, Mrs. A. J. Crostwaite, reported that she is making a satisfactory recovery.

Mrs. Ronald White and Douglas Jerry left Friday evening by car to join S/Sgt. White at Westover AFB in Westover, Massachusetts. They were accompanied on the trip by her in-laws, the Thomas Jerry Whites, San Antonio, and his mother, Mrs. May White. Natalia, Douglas Jerry had visited from Monday through Friday with his maternal grandparents, the Douglas Caldwells.

Mrs. Ruby Tilley, Rio Hondo, came Saturday

and visited until Sunday afternoon with her father, Ed Ouzts, and her sister and brother-in-law, the Wylie F. Gardners, and other relatives in Devine. Mr. Ouzts is ill at his home.

Mr. and Mrs. Garrett A. Guly motored to McAllen Friday morning for the weekend with daughter and family, the Wayne Gabehardts, Charles, Tommy and Billy and they attended the band concert Friday night that was presented by the McAllen High School Band. Charles is one of the band members.

Mr. and Mrs. Ruel Acosta, Roy and Jackie, San Antonio, came out Sunday afternoon and had supper with Mr. and Mrs. James A. Traylor and Carol Ann.

Mrs. Blake Whittington and Judy, Corpus Christi, came Sunday for the day with the C. T. Reagans and Billy. The Reagans and Billy had spent the previous Sunday in Victoria with Mr. Reagan's mother, Mrs. Cyrus T. Reagan of Charco, who was convalescing in a Victoria hospital from injuries she received in a

car wreck on Saturday.

Mr. and Mrs. W. B. Day and their house guest, Mrs. Day's sister-in-law, Mrs. Zelma Lee Reinhardt, of Fresno, California, returned home Monday afternoon after having visited since Thursday night, the Days with his sister and brother-in-law, the W. C. Elliotts, and her cousins, the Dee Adams in Frederick, Oklahoma, and Mrs. Reinhardt with her sister and brother-in-law, the Clyde Deans, in Manitou, Oklahoma.

Mr. and Mrs. Ralph Kuntz and Patty of Baytown came Saturday evening for the night with Mrs. Kuntz's parents, Mr.

and Mrs. M. N. Smith. Mrs. Gladys Frey, San Antonio, came out Sunday for the day with Mrs. Johnnie Ernst.

Mr. and Mrs. John T. Law enjoyed the day Saturday in San Antonio visiting and having dinner with her mother, Mrs. Erna Harbort, and visiting her sister and brother-in-law, the Wilson T. Croffords, in the afternoon.

Mrs. Genevieve Day returned home Wednesday after having visited since Sunday in San Antonio with her daughter and family, the Richard Jordans, Michael and Bryan.

SOCIAL SECURITY Questions and answers

QUESTION: My wife is 66 and a high school teacher. Last summer when she wasn't teaching she got monthly social security checks. We'll report her total wages on our income tax return. My wife thinks that's all she has to do. Is she right?

ANSWER: No, she must also file an annual report of her earnings with the Social Security Administration by April 16, 1973. This report is entirely different from an income tax return. The people at your social security office will be glad to help her complete the annual report.

QUESTION: My husband and I were divorced after 32 years of marriage. I never remarried. My ex-husband died a few months ago. Now that I'm 65, can I collect social security on his work record?

ANSWER: Yes. Since you were married to your former husband for at least 20 years, you can get social security payments on his work record. Before January 1973, a divorced woman also had to show that her former husband was providing one-half of her support, but a recent change in the law ended this requirement.

QUESTION: After my extended stay in the hospital, my doctor recommended physical therapy treatments as part of my recovery program. If a physical therapist who has an independent practice comes to my home to give me treatments, will Medicare help pay for them?

ANSWER: Yes, but not until July 1, 1973. Starting then, the medical insurance part of Medicare can help pay for treatment by a physical therapist in your home or in the therapist's office. Of course, physical therapy furnished as an inpatient service, an inpatient extended care service, a home health service, or as part of a physician's treatment has been covered under Medicare for some time.

QUESTION: I have been told that if I earn over \$1680.00 in 1972 I would have to file an annual report of earnings. What is an annual report of earnings?

ANSWER: An annual report of earnings is a report furnished by a beneficiary to notify the Social Security Administration of their past year's earnings, and to also give an estimate of their current year earnings.

QUESTION: When is the annual report of earnings due?

ANSWER: The annual report of earnings for 1972 should be completed and

mailed to the Social Security Administration by April 16, 1973.

QUESTION: Would I be penalized if I filed the 1972 annual report of earnings after April 16, 1973?

ANSWER: Yes, you could be penalized. The penalty can amount to the loss of at least one month's payment, or more.

QUESTION: In 1972, I didn't have enough medical bills under Medicare to file for payment. Now I have some bills, and my sister mentioned something about using my medical bills from October, November and December of last year to count toward the deductible for this year. Is she right?

ANSWER: Yes. If you had medical expenses in the last three months of last year that could have counted toward your deductible for 1972, you can also use them to help meet this year's deductible. Be sure to send in all the bills for covered services you received in October, November or December of 1972 with your bills for this year.

QUESTION: I will soon be sending in my first doctor bills for payment under Medicare. I sign all my checks and important papers with a shortened form of my first name, but my Medicare card shows my full name. Does it make any difference how I write my name on my Request for Medicare Payment form?

ANSWER: Yes, you should write your name on the form exactly as it is shown on your Medicare card. This will help prevent delays in making payment to you.

QUESTION: I'm 63, and I've worked part time ever since I was married over 30 years ago. My husband is only 62 and doesn't plan to retire until he's 65. Do I have to wait until he retires to get monthly social security payments?

ANSWER: Probably not. You can collect monthly checks now on your own earnings record if your work was covered by social security and you earned enough credits to qualify. You should get in touch with any social security office to apply.

QUESTION: Do you have to pay social security taxes after you start receiving social security benefits?

ANSWER: Yes. If you continue to work in covered employment after becoming entitled to social security benefits, you must continue to pay social security tax on your earnings. There is no age limit and no exception.
